# IF

If you think you might have a legal problem, but aren't sure...

If you need legal advice but don't know where to look...

If you need a lawyer, but don't know one...

... *The Lawyer Referral Service can help you.*

---

## Lawyer Referral Service

The service is available to anyone.

It is designed to encourage you to seek legal advice early, before your problems become complicated and expensive.

It takes the worry out of looking for a lawyer.

## How It Works

You can call the Lawyer Referral Service at 1-800-240-9798 or 892-0853 between 9 a.m. and 4 p.m., Monday to Friday.

1. Explain briefly the type of problem you have. The Service will give you the names to two lawyers.
2. You arrange an appointment with one of the lawyers and tell him or her that the Lawyer Referral Service referred you. The lawyer will give you an interview of up to thirty minutes at a nominal charge of \$10.00 plus PST. and GST.
3. The lawyer will tell you whether he/she thinks you have a legal problem, what is involved, and how long it should take to solve the problem, and about how much it will cost.

Some lawyers are willing to communicate in languages other than English. Indicate your language preference to the operator when you call.

Community Legal Information Association of PEI and The Prince Edward Island Law Society do not have a mechanism for testing the lawyer's special skills and does not make any representations as to these skills. The Lawyer Referral Service is not legal aid. The telephone number for Legal Aid is in the telephone directory.
